

wear denim

This wardrobe essential is no longer limited to jeans!

As a girlie dress

Thanks to the cap sleeve and knee-length cut, this frock is totally office-appropriate. Hot Kiss \$54, hotkiss.com

So flattering! The Empire shape masks belly bulge, while skinny straps flaunt toned shoulders. Miss Sixty \$179, 212-575-0315

Kate Bosworth knows the trick to pairing a denim accessory with jeans: Keep both in the same dark tone.

As a fun accessory

Wearing this newsboy cap off to the side gives a cool, fashion-forward look. Granville Millinery Co. \$68, granvillemillinerycompany.com

This dapper fedora is just the thing to jazz up black pants and a white tee. Christine A. Moore Millinery \$125, lunaboutique.net

Oops!

Showing more skin isn't always sexy! Soul singer Joss Stone lets her inner wild child out in this denim mini jumper. Dark opaque tights, pumps and a colorful cropped jacket would have added a more elegant feel.
